# MARINA BUZZ

## March 2016

**"Spring is nature's way of saying  
LET'S PARTY!"**

**- Robin Williams**

**Greetings!**

Spring is officially here! Well, sort of! As I write, the forecast looks a bit like...ok, alot like full-on winter. But we all know Mother Nature's game. She messes with our minds and forces us to either deal with her wishy washy ways, or book a trip to warmer climates. Oh, just so you know, I chose the latter and will be out of the office for a week in early April. I hope you find your own way to enjoy these last few months until open water!

### **Quick Info and Links**

Don't be left standing on the dock while everyone else is out playing on the water. Get your work orders in ASAP if you need any services from the marina.

### **Spring Work Orders**

## Marina VIP Social

We are so excited about this upcoming summer and wanted to do something really special to kick things off! We'd be

honored if you'd   
join us for our first  
ever pre-season VIP social at the marina on Saturday,  
May 7th, from 5-7 pm.

This relaxed evening will be hosted in the marina retail store and is a great opportunity to mingle with friends, old and new, while getting to know Dillon's Town Council and new marina staff. We'll be serving complimentary wine, beer and light hors d'oeuvres, and you'll have first dibs at all the new summer wear on display.

This event is strictly for you, our seasonal slip and storage customers. Space is limited so **you must RSVP to get your name on the list no later than Wednesday, April 27th**. Sorry folks, we will not be allowing last-minute reservations or walk-ins so [reserve your spot now](#).

## Welcome Aboard

Each year we welcome a few new faces and boats into our marina family. Some of you have waited years for that perfect spot with us and we are thrilled to have you. If you didn't receive a welcome packet with all the information regarding keys, bathroom codes, service offerings, etc., please let us know. We're here to help make this an amazing summer for everyone. And that goes for all

you existing folks as well. [Give us a shout](#) if there is anything we can do to help!

## Marina Bucks Winner!

All the surveys are in and that means it's time to announce the winner of the **\$100 Marina Bucks** survey contest. Everyone who participated in the survey was included in the drawing for \$100 to spend at the marina however they wish. This year's lucky winner is Helene Bainer from E Dock. Congrats Helene! Let me now if you want my help spending it!

## Repairs Needed- Let us Know!

The most requested item we read about in the marina survey was the need for repairs to the docks. As with anything that gets an extreme amount of use, the docks certainly sustain their share of damage. Year after year, we work to keep up with these projects, but understand that it is time to amp up our efforts. As with all businesses, we work within a budget so repairs in 2016 will be limited; replacing boards and rub rail as needed. However, after hearing from you, we have now increased our dock maintenance budget by 40% for 2017.

The most important thing to remember is to notify us immediately anytime you notice the need for repairs anywhere around the marina. If you wait to tell us in our year-end survey, it will be too late to budget for it. Stop by the marina office anytime and fill out a **"Docks and Grounds"** work order so we are able to keep track of what is needed. Thank you again for your feedback!

## Hit the Slopes Before It's Too Late

Closing day is near for many of our Colorado resorts so you'd better strap on those skis and boards before it's too late. Click on your favorite resort below to get the scoop on closing

dates, end of season parties and more!
