MARINA BUZZ

November 2016

Greetings!

This time of year we're typically enjoying some festive winter weather, in the form of snowfall, that helps create the magic of the holidays. But instead, many of us are still in our flip flops. I'm not going to lie. I secretly

love it, but know it's time we get this winter underway!

With the Thanksgiving holiday approaching, are you prepared for the big day? Is your TV big enough for a room full of football fans? Is your oven big enough for the bird, the stuffing, the casseroles AND the pies? And most importantly, are your pants big enough for the bird, the stuffing, the casseroles AND the pies? Here's hoping your holiday season is a happy, healthy and non-seam-splitting one!

Today's View From the Office

This Week's Forecast

A New Winter Home for Your Toys

Like most of us, our garage, if we even have one of those up here, is full to the brim with all our belongings, and maybe even a car! That doesn't leave much room for all your toys, mainly your kayak, canoe or SUP.

Well, fret no longer. The marina has heard your cries and is now offering year-round storage for those toys of yours. If you have a current rack space, just watch for those additional offerings when you get your 2017 renewal. Just imagine, scraping your windows all winter could become a thing of the past!

Ho Ho Holidays in Dillon

Hop in your sleigh and fly on into the Dillon Community Church on Thursday, December 1st, from 5:30-7:30 and help us light up the town. Our annual "Lighting of Dillon" is a celebration for all ages. So, naughty or nice, grab those lists and come enjoy some

cookies, some caroling, and you got it...some Claus! For more information, click [here](#).

Adopt an Angel

Choice#1: Hit the stores on Black Friday, elbowing your way through crowds of shoppers, spending way too much money on way too much stuff.

Choice#2: Locate one of the many "Adopt an Angel" trees around the county, choose your angel ornament, pick out a meaningful gift for a child (on any day of the week) and make a child's holiday one they'll never forget.

**ADOPT
AN ANGEL**

Choice#3: Volunteer your time at the "Adopt an Angel" day at the Silverthorne Pavilion on **Wednesday, December 14th**, and serve families in our county who would not otherwise be able to provide gifts for their children this holiday season.

Get involved at SummitAngel.com and give your heart a boost this holiday season.

Bigfoot Sightings in Dillon

Bring the kids to Dillon each Friday night in December for our "Bigfoot

Adventure Walk." The 75 minute trek leaves and ends at Town Hall, teaching children about the area and wildlife while they embark on a nature walk in search of the mysterious Bigfoot. Parents are welcome to join or head off in search of something else, like maybe some much-needed mom & dad time. Reservations are required and spots are limited so call 970-468-2403 to sign up now, or click [here](#) for more information.

Bee on the Lookout for Your 2016 Survey

Get it? "Bee" on the lookout! Ok, somebody stop me...

As always, we'd love to know what your experience was this past summer. Were we kind? Did we do the best job possible for you? Did we supply the right amount of wind and sunny days? We want to know all the buzz! The 2016 Dillon Marina Customer Survey will hit your inboxes around the end of the year. So, if you have a different email address you'd rather we use, now might be a good time to [tell us](#).

Happy Thanksgiving and remember...

When you love what you have, you have everything that you need.

Shannon Jakoby
