CITIZEN COMMENTS

Barbara Richard, 152 Tenderfoot Street, Dillon, commented on the Tenderfoot Street Reconstruction Options that was discussed during the Work Session. She likes the traffic calming methods and think they are great ideas. She is extremely concerned about the large parking lot cutting into Town Park. Town is going from 11 parking spaces to 34 parking spaces and she doesn't want a dramatic cut into Town Park. The Master Plan does not include this parking lot. Town Hall parking is enough for the multi-use fields. She doesn't like the idea of the parking being built for the commercial potential across the street. She is confused as to what great need Town has for a parking lot. The Bocce courts are used heavily.

CONSIDERATION OF ORDINANCE NO. 21-20, Series of 2020

Second Reading and Public Hearing

AN ORDINANCE AMENDING CHAPTER 7 OF THE DILLON MUNICIPAL CODE TO ADD A NEW ARTICLE X REGARDING DISPOSABLE BAGS.

Mayor Skowrya stated that this public hearing was published in accordance with public posting requirements as set forth by the Dillon Municipal Code. Mayor Skowrya opened the public hearing at 7:08 p.m.

Nathan Johnson, Town Manager, explained this ordinance would go into effect on August 1, 2021. It would ban the use of disposable plastic bags in Markets, allow Markets to voluntarily impose a fee to cover the cost of paper bags and ban the use of Styrofoam containers at restaurants.

Mayor Skowrya stated the documents included within the record for this public hearing include all application materials submitted by the applicant, all materials included in the Town Council packet, any Power Point or other presentations given tonight, all written referral and public comments received regarding the application and the Town's subdivision and zoning ordinances and other applicable regulations.

Mayor Skowrya asked if anyone objected to inclusion of these items in the record. No one objected.

Mayor Skowrya closed the public hearing at 7:10 p.m.

It was opened to deliberation by the Council.

Mayor Skowrya commented they started this conversation one and a half years ago when Dillon Valley Elementary gave a presentation to Council on banning plastic bags. This helps us meet our goals and is a great thing to pass.
