- Will flagstone hold up?
- Is flagstone is better to install and design?

#### Town Park Master Plan Discussion

The town is applying for a GOCO grant to use for a master plan. The grant will not fund an amphitheater or like structure

#### Future Agenda Items

Rezoning of part of the town park – change the zoning from ‘parks and open space’ to ‘public facility’. Businesses have been asking for the rezoning and have made the recommendation to Jason Smith. Dan Burrows and Scott O’Brien explained the section of the town that would be considered from rezoning. This item was very contentious to the committee and there were many questions as to why do we need to green space rezone and take away.
